Day 2 (Friday) **Antigua**

Place yourself in La Antigua Guatemala's glorious past. Muse among the silent stones. Wind your way along the walls and wonder. Stand in a royal chapel and speculate. Who stood on the same spot 300 years ago? Or, climb the stairs of the ruins of the San Francisco church and have some of the best views of the volcanoes.

These ruins are among the oldest of the city and perhaps the only ones from the 16th century.

In the afternoon you can still enjoy a relaxed walk through the cobble stone streets of this colonial town through Antigua North and South.

Overnight in Antigua Hostel San Nicolas

☑ Discover Antigua the cobblestoned town as a world heritage site.

☑ Explore Lake Atitlan in the western highlands

☑ Experience the historical richness in Guatemala

Day 3 (Saturday) **Antigua-Panajachel-Lake Atitlan-Antigua**

Guatemala is peppered with lakes and lagoons, often also of volcanic origin. The most spectacular is Lake Atitlan, which was born when a volcano blew its top 85,000 years ago and is now over 340 meters (1000 + feet) deep. Lake Atitlan is the jewel of the western highlands, ringed by volcanoes and some of the country's most traditional villages and reached via the colorful town of Panajachel.
